

Treasurers Report

Elizabeth Ward Scholarship Fund

2006/2007

As always, we are very much indebted to Elizabeth Ward President of the BKPA for giving us so much support within our group, and the ability to attend conferences and our three times a year specialist social workers meetings, in London, York and Edinburgh.

Through the fund, we are able to hold a training day in Edinburgh once a year, for all members both adult and paediatric, and members have benefited hugely from the excellent speakers and topics covered.

The Welsh social workers continue to meet annually, this year in North Wales, and the Paediatric social workers also meet annually in Birmingham (Note: the cost of the Paediatric meeting does not show up on this years accounts, as cheques were paid after the preparation of accounts, but the cost of the paediatric meeting was approximately £600).

Again, our end of year balance remains fairly consistent, year on year, and the current state of the account as of June 2007 is £9535 – 07.
